returns to the Chamber, and we will move on to LB 414.

CLERK: Mr. President, there is pending on LB 414 a specific amendment offered by Senator Frank Lewis.

PRESIDENT: Senator Lewis...Frank Lewis.

CLERK: As found on Page 1278 of the Legislative Journal.

SENATOR F. LEWIS: Yes, Mr. Chairman, this amendment, again, I will explain was to clarify the previous intention and, again, this was to satisfy on the look over by two or three groups against clarification language. We have kind of limited it a little more by inserting religious or fraternal organizations, which are the usual users of this particular type of license. It is clean-up, limiting it a little more. I'd ask the adoption of the amendment.

PRESIDENT: Discussion. The question is, shall Senator Lewis' amendment to LB 414 be adopted? Record your vote. Please vote? Record.

CLERK: 25 ayes, 0 nays, Mr. President.

PRESIDENT: The amendment is adopted. Do you want to advance the bill? Senator Lewis moves to advance the bill. All of those in favor say aye. Contrary nay. The bill is advanced. Senator Anderson.

CLERK: Now, Mr. President, there is a motion to return LB 414 to Select File for another specific amendment by Senator George. His specific amendment is to amend the Frank Lewis amendment to include municipalities.

PRESIDENT: Senator George.

SENATOR GEORGE: Mr. President, members of the body, the term, municipalities, originally was in the bill, in this bill, 414, and I do believe that Frank Lewis' amendment left it out by accident. I would like to have it back for the simple reason that some small towns would like to have a temporary license for certain occasions. I can think of one town in my district, Rosalie, that has an Old Settlers Day where they would like to have a temporary beer license for one or two days. These are traditional affairs. Some have these same affairs with Fire Departments or Rescue Squads so, therefore, I would like to include municipalities as it was in the original bill.

PRESIDENT: Senator Frank Lewis.

SENATOR F. LEWIS: Mr. Chairman, I certainly don't want to cut out any of the intention some people had, and if Senator George wants to add that, that is perfectly all right with me.

PRESIDENT: The question is, the adoption of Senator George's amendment to the Frank Lewis' amendment. Record your vote. Record.

CLERK: 27 ayes, 0 nays.
